RECOMMENDATIONS

Recommendation No.: IS/CTI/2403/1006

Name: Dmeo Demo

Country: American Samoa

Previous Grade: 3

Recommendation Grade: 3

The interaction was based on the concepts used in 3 core courses in Grade 8 - Language Arts, Mathematics & Science as follows:

LANGUAGE ARTS - 4

Language Arts 4 Excellent

MATHEMATICS - 2

Math 2 good

SCIENCE - 4

Science 4 Excellent

The following key demonstrates the level of understanding

4 Excellent (Student can apply the skill or concept correctly and independently. She/he is progressing successfully)

3 Very Good (Student shows some understanding. However, errors or misunderstandings still occur. Requires hints and suggestions)

2 Good (Student is just beginning to understand this skill or concept)

1 Average (Student is having trouble with this concept or skill. Assistance at home is needed)

REMARKS: We thank Dmeo Demo for participating in our 'CONNECT TO **IMPACT**' program.

4 Excellent (Student can apply the skill or concept correctly and independently. She/he is progressing successfully) 3 Very Good (Student shows some understanding. However, errors or misunderstandings still occur. Requires hints and suggestions) 2 Good (Student is just beginning to understand this skill or concept) 1 Average (Student is having trouble with this concept or skill. Assistance at home is needed)
